 Settlement Home Run Club Volunteer  
 Mobile Loaves and Fishes Truck Team Volunteer  
 YMCA Camp in Motion Volunteer  
 Hill Country Bible Church Community Volunteer

### **Why do you want to serve as an ABoR director?**

Service has always been a passion of mine and a main component of my core values. I've had the opportunity and privilege to serve in a leadership capacity on the Diversity Committee with the association for 3 years. It provided a great sense of accomplishment to be apart of a committee that leads the way in diversity, equity and inclusion. Board leadership needs to be reflective of the members and the community we serve. I am a female, minority, broker who sponsors full- and part-time agents, and I represent a large demographic of our membership and their unique interests and perspective. I want to Listen and Advocate for our members, provide representation and productive leadership that fulfills member needs when it comes to managing your business when facing evolving and ever changing issues.

### **What do you do in your personal time? Do you have any hobbies?**

My down time is usually comprised of family time with my husband, Mike, our two young boys, Mason and Brayden and our dog Ellie. We enjoy going on hikes or exploring central Texas' gorgeous outdoors and

local activities. Other hobbies and passions outside volunteering include fitness training, cooking, wine tasting and traveling, which recently has been expanded to include RV road trips.
