Why do you want to serve as an ABoR director?

It is an honor to serve the membership to promote diversity, share ideas, encourage best practices, advocate for homeowners & our members & our industry, promote continued transparency, serve the community with charitable efforts, and serve on the body responsible for the CEO relationship & financial accountability to name a few.

What do you do in your personal time? Do you have any hobbies?

I'm very active in the community. I serve at my church and do quite a bit of volunteer work. I have three daughters 12, 9 and 5 and I've been married 19 years this August. I love to read, exercise, hike, scuba dive, and explore.
