Why do you want to serve as an ABoR director?

I LOVE Real estate and the real estate community—they are my extended family and real estate has been very good to me. I appreciate the opportunity to give back to those that have given so much to me. It's not just a career for me but a way of life, and I feel like my thought process represents the agents that are fully engaged in our industry. I feel that I have a strong sense of fairness and want to treat people like I want to be treated. As we see so much change in our industry, I will say I'm definitely not clairvoyant, but I will work hard to think outside the box and move through the changes in an effort to best serve the membership.

What do you do in your personal time? Do you have any hobbies?

I love Architecture, design, fashion, fitness, reading, Indoor and outdoor sports, fishing, paddle boarding, the beach, travel, And on and on:)
