ABoR Diversity Council Member 2019
AREAA Austin Chapter Past President 2018
ABoR Leasing and Property Management Committee 2016

Why do you want to serve as an ABoR director?

I want to protect property rights and advance the common principles of the members and property owners we serve. I've accumulated diverse perspectives from residential real estate, property management, mortgages, and commercial real estate and have the know-how and instincts to leverage these into practical, achievable results. Through this year serving on the Board, as well as my leadership positions with Asian Real Estate Association of America, I feel able and ready to make a difference.

What do you do in your personal time? Do you have any hobbies?

I'm a Texas native and love traveling. My family owns a few restaurants around town and so we enjoy trying new places to eat.
